Webster location

## COMPREHENSIVE SERVICES

DESIGNED TO HELP YOUR BUSINESS RUN MORE EFFICIENTLY

# What is FD Systems?

Designed by Fasteners Direct, FD Systems helps our customers procure fasteners in a more efficient manner.

## **BUT...**

Not all of the systems will match your needs. The Fasteners Direct team has the knowledge and experience to match your company's specific requirements with FD Systems.

## **HOW CAN I GET STARTED?**

The first step in providing your company with one of these service-oriented systems is to understand how your business operates. Your current process will be reviewed by Fasteners Direct and suggestions made as to how FD Systems will benefit you.

Customers can email ([sales@fastenersdirect.com](mailto:sales@fastenersdirect.com)) or call us (800.691.0292) with questions about FD Systems.

# Does this look familiar?

**Save time, money and frustration.  
Request your next order in FD Pails.**

**The FD Pail.  
Durable.  
Built for your job site.**

Don't get caught in the mud.  
Mention this visual product guide and receive  
your next order of structural bolts in  
FD Pails at no extra charge.

**Each pail is custom labeled with your  
PO number and content information.**
